

QuinStar® GT

Quinclorac Herbicide

Key Benefits

- Super effective on Field Bindweed when applied as directed.
- Fast acting but kills weeds slowly and surely.
- Can be tank mixed with several companion herbicides including GlyStar, Dicamba, Brox and Phenoxies.
- QuinStar® GT is rainfast in 6 hours.
- For best results use with a high quality, highly refined methylated seed oil when ever possible.

Use Rates Per Acre - Control	Pre Plant Labeled Crop Uses	In Crop Sorghum	Non Crop Areas
Barnyard Grass	5.3 oz.	5.3 to 8.0 oz.	5.3 to 16 oz.
